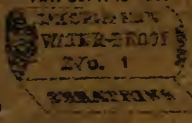
FAY'S PATENT WATERPROOF



No. 4.

SHEATHING,

1000 SQUARE FEET FOR $2.90,

32 INCHES WIDE

NOTICE

Unequaled for strength, TEAR IT. No waste pulp used in these goods. No comparison with cheap sheathing paper on the market. Covers more surface for price than even tarred paper. Odorless and clean to handle. Rat, mice, and vermin-proof. Its waterproof qualities may be tested by soaking of EVEN BOILING THIS SAMPLE in water. Just the thing to use under siding, shingles and slate, between floors and many other purposes to resist moisture.

Remember we are giving you 1000 sq. ft. for $2.90.
